Re: Recommendation for Betsy Port

Dear Ms. Kelley

It is my pleasure to write a recommendation letter for Betsy Port who has asked me to serve as a reference for her.

I was initially impressed with Betsy's enthusiasm, dedication, and customer service skills when I hired her two years ago. During the one year that Betsy ran our store, she consistently demonstrated all of these qualities and more. I would heartily endorse her for any management and merchandising position.

During her time working for our company, she single handedly managed, merchandised, purchased, and made sales for our store in Harrison, Idaho. I rarely worried about a thing as she also took care of advertising and inventory control as well. In addition, I could fully trust her with daily deposits and marketing decisions. Betsy was a great fit for our family owned clothing and shoe store.

I would strongly recommend Betsy for any position that involves purchasing, merchandising, and managing people. If you need additional information, please feel free to call me at my store at 208-245-1802 or email me at [countryfairllc@yahoo.com](mailto:countryfairllc@yahoo.com).

Sincerely,
